## **App Center EMEA Data Center Activation in August**

As part of the August release, clients whose accounts are housed in the EMEA Data Center will be able to access applications via the App Center tab inside of Concur Solutions.

For more information on the App Center, read the App Center EMEA Data Center FAQs (in [English](#), [French](#), and [German](#)), visit the public version of the App Center at [concur.com/app-center/](http://concur.com/app-center/) or watch overview videos and client stories [here](#).
