StopJetLag Is Coming Soon

Stop Jet Lag offers an easy-to-follow, individualized plan for your specific itinerary. The plan is based on a natural approach to safely and effectively resetting your body clock by correctly timing your intake of food, drink, sleep, bright light and optional melatonin supplements. There's no guesswork. And mobile alerts make it even easier. Receive a comprehensive jet lag strategy with a customized Stop Jet Lag Plan based on coordinating the major jet lag influences with your Concur flight itinerary. Imagine arriving fresh at your destination, regardless of the time zone. Now you can with Stop Jet Lag.

StopJetLag works with Travel for Concur Standard and Travel for Concur Professional. It will be available soon in the Concur App Center under Apps for Me at www.Concur.com/AppCenter. For more information about StopJetLag, go to the StopJetLag website at <http://www.stopjetlag.com>

TAXIS G7 Is Coming Soon

With TAXIS G7, taxi's number 1 in France. With 7,700 affiliated taxis in its network, TAXIS G7 offers a wide range of urban mobility options for today's traveler:

- Airport & station transfer services
- 1,800 hybrid taxis for eco-friendly travel
- Large capacity vehicles for up to 7 passengers and their luggage
- Specialized vehicles for passengers with reduced mobility

TAXIS G7's innovative approach ensures maximum availability and minimum wait times for travelers needing car service in France. With the Concur integration, TAXIS G7 also allows business travelers to easily expense their taxi rides.
